Hey Rick,

Thanks for your email. I was happy to get it.

In your email you asked me about sights of Russia. As for places which they should see I would advise them to see Russian captain's sight. For example, they can visit Kremlin. It is located on Red Square in Moscow. It is the main sight of Moscow which absolutely reflects our culture. Besides, there are many museums which can give them an enjoyment. They also can walk on Red Square. It is safe and sound. They can have a whole of a time. Well, if sport is someone's cup of tea, they can visit any sport event. Russia has a lot of great sport stadium. "Luzniki" is second to none. Many of Russian sights stay safe and sound and show our breathtaking culture

That's all for now. Prop me a line.

Best wishes,

Parig
